Mt. Mitchell Wrap-up:

Katie spoke with Kevin at the top of Mt. Mitchell and the park was pleased with AOMM 2019.

Finances: AOMM broke even this year. Not bad considering the numbers were reduced vs 2018. Katie reduced expenses by about \$11,000 but local Penske didn't have all the trucks we needed. Charlotte trucks cost about \$4,300.

If we increase the cost of the ride to \$150 at the start, will increase revenue significantly.

Marion: we had about 230 Marion riders. We need to market Marion stronger in the future. Discussion ensued about making it a timed ride.

A few people had some difficulty with directions. We need to take a look at the cue sheet.

This year's Marion finishers are eligible to register early for AOMM 2020.

Treasurer Report: \$35,000
